RCA

RCA (Responsabilità Civile Auto) is compulsory insurance against civil liability arising from damage to third parties, property (other than that transported) and animals. Any passenger carried in a Maggiore vehicle is a third party. RCA is included in the rate and has a single-limit cover within the law.

DEDUCTIBLES

All rates include Theft Protection Liability Reduction TP in the execution of which, beyond the happening of the event, only the FTP* deductible will be owed.

The STP supplements completely eliminate the FTP* theft deductible costs, with the exception of thefts taking place in Basilicata, Campania and Puglia, for which the theft deductible costs are not totally eliminated, but reduced to the s shown in the FTN** table.

All rates include the Collision Damage Liability Reduction CDW in the execution of which, beyond the happening of the event, only the FCD* deductible will be owed. In the case of any damage, including unreported accidents or accidents without a counterparty, a Damage Processing Fee (DPF) of euro 79,30 will be charged to cover administrative costs. This does not affect our right to claim further damages.

SCDW supplement waives totally the FCD* deductibles and DPF.

The rental contract contains specific indications regarding responsibility for use of the vehicle. Among those specifications it is particularly important to observe the rules for proper and diligent use (such as avoiding unpaved roads and observing the standard rules for care and maintenance) as well as respecting the traffic code. In case of failure to do so, even if a limitation of responsibility clause was undersigned, all the damages shall be responsibility of the Client.

For further clarification it is necessary to refer of the current General Conditions. Maggiore reminds that unless expressly envisaged otherwise, limitations of responsibility are not valid in the case of willful misconduct or gross negligence pursuant to article 1229 of the Italian Civil Code.

SCDW + STP supplements include SCDW, DPF and STP.

For non-waivable deductible amounts, please refer to rate schemes related to STP
